analysis of a Close Vote by which the Proposition was Defeated in the House.

A BILL passed the lower branch of the Ohio Legislature, on Monday last, providing for the punishment of newspaper publishing advertisements of "divorces procured." It prescribes a maximum penalty of five hundred dollars fine and imprisonment for six months.

A PATENT has been obtained by a citizan of Mississippi for a new method of collecting taxes on drinks, which is said to be far better than the Moffet or Clarke register. Books of conpone are sold by the Sita Auditor to all liquor dealers. When a drink is sold the consumer recises a coupon, which entitles him to recise from the State, in payment of his taxe, one cent. If two drinks are to be paid for he receives an orange colored coupon good for two cents. If five drinks, a bine paper good for five cents. Not only does the Stateenjoy an income from thetar on drinks, but the consumer has a resonable chance of paying off his taxes with the orange and blue coupons. Mr. Riddle moved as a substitute for Mayham's amendment, a provision that rations or quarters shall be furnished and no commutation for the same.
Mr. Hewett, of N. For one he declined. It was a deliberate effort to blast 33 per cent of the means of our people to pay their debt. He then referred to the needs of the West, and said that section had fewer millionaires than the East and fewer paupers as a consequence. This silver question was not an issue be tween West and East; it was an issue be tween West and East; it was an issue be tween the productive effort and fixed capital.
